

**U METAL  
TENDER DOCUMENT  
PROCUREMENT OF GOODS AND SERVICES**

Issued by: UMETAL INVESTMENTS LIMITED  
Address: 562 KALILO, CHINGOLA, COPPERBELT PROVINCE.  
Date: 15 April 2026

## **1. INVITATION TO TENDER**

U Metal hereby invites sealed bids from eligible and qualified suppliers and service providers for the supply and provision of the following goods and services under separate tender reference numbers:

1. Mining Equipment Spare Parts – Ref: UMETAL/PROC/2026/01
2. Environmental Management Consultancy Services – Ref: UMETAL/PROC/2026/02
3. Mining Solvent – Ref: UMETAL/PROC/2026/03
4. Diesel - Ref: UMETAL/PROC/2026/04
5. **Copper Ore (Low and High Grade)** – Ref: UMETAL/PROC/2026/05

## **2. OBJECTIVE**

The objective of this tender is to engage competent suppliers and service providers to support the company's mineral processing operations and ensure compliance with operational, financial, and environmental requirements.

## **3. SCOPE OF WORK**

### **3.1 Mining Equipment Spare Parts**

**(Ref: UMETAL/PROC/2026/01)**

Supply and delivery of high-quality spare parts for processing plant equipment, including but not limited to pumps, motors, valves, and related mechanical and electrical components. All parts must meet OEM standards or approved equivalents and be suitable for industrial use.

### **3.2 Environmental Management Consultancy**

**(Ref: UMETAL/PROC/2026/02)**

Provision of environmental compliance and advisory services, including:

- Environmental Impact Assessments (EIAs)
- Regulatory reporting to relevant authorities
- Environmental audits and monitoring
- Audit support and compliance advisory services

### **3.3 Mining Solvent**

**(Ref: UMETAL/PROC/2026/03)**

Supply of industrial-grade solvent used in mineral processing operations, meeting required technical specifications, safety standards, and chemical composition requirements. The supplier must provide relevant certification and safety documentation.

### **3.4 Diesel**

**(Ref: UMETAL/PROC/2026/04)**

Supply and delivery of diesel fuel for operational use, meeting required industrial specifications, safety standards, and compliance with applicable regulatory requirements in Zambia.

### **3.5 Copper Ore (Low and High Grade)**

**(Ref: UMETAL/PROC/2026/05)**

Supply and delivery of copper ore suitable for processing. The material must:

- Meet agreed metallurgical specifications and copper grade thresholds
- Comply with acceptable moisture content levels
- Adhere to defined impurity limits (e.g., silica, iron, arsenic)
- Be accompanied by certified assay reports from recognized laboratories
- Meet all applicable regulatory and quality standards

## **4. ELIGIBILITY CRITERIA**

Bidders must meet the following requirements:

- Must be a registered company in Zambia
- Valid mineral trading permit
- Valid tax clearance certificate
- Relevant experience in the field of application
- Compliance with applicable regulatory requirements

## **5. BID SUBMISSION REQUIREMENTS**

Bidders are required to submit:

- Company profile
- Technical proposal
- Financial proposal (detailed quotation)
- Valid statutory documents (PACRA, ZRA, NAPSA, etc.)

## **6. EVALUATION CRITERIA**

Bids will be evaluated based on:

- Compliance with requirements
- Technical capacity and experience
- Pricing and cost-effectiveness
- Delivery timelines

## **7. SUBMISSION DETAILS**

All bids must be submitted in sealed envelopes clearly marked with the specific tender reference number and category applied for.

**Submission Address:** All submissions should be made via email to [champion@czlongguan.com](mailto:champion@czlongguan.com)

**Closing Date:** 27th April 2026

## **8. TERMS AND CONDITIONS**

- U Metal reserves the right to accept or reject any bid.
- Late submissions will not be considered.
- Bidders may apply for one or more categories but must submit separate bids for each reference number.
- All costs associated with bid preparation are the responsibility of the bidder.
